SUBJECT: Pen and Ink Changes to CBJBs

1. The Program and Budget Staff will publish and distribute pen and ink changes to the CBJBs. To assist you in writing the changes a sample page used for last year's corrections is attached. It must be submitted to me in scannable format by 18 February. If replacement pages are needed, contact Richard Young at P&PD to have them produced and include these page numbers with your corrections list.

2. This will be the only corrections list published by this office. It is the responsibility of each program to notify the recipients of their book of any changes that occur after this date.
